

# Mary J. Blige, Not Today

[Mary]

Why wont you grow up and be a man someday  
I can't believe that you're still playing silly games  
Now why do I put up with all this childish play  
Now if your word is all you have, then you ain't worth a damn thing

[chorus]

You told me everyday (that you made)  
You never ever came (not for me)  
I really want to believe (but not today)  
Not today, not today, not today

[Mary]

You're the worst, I can't even depend on you  
You say a lot of good things, but somethin' else you always do  
Be a man of your word, try to love something or love in you  
But now you can be on your way, because I don't want you today

[Eve]

Bought a house, bought the kids  
Lifestyles we would live  
Who the fuck you really is  
In my face all the time  
Spittin' line afta line  
Broke down my wall and you got in my mind  
You's a fake, shoulda known  
All the times I was shown  
Believe what I saw and your cover was blown  
Break up leave, make up please  
You's a magician, all the tricks up your sleeve  
Have me for a minute an' I was in it  
You played good but I'ma bet you gotta get it  
So I make moves and I'ma leave you where you at dog, chill  
Go back to square one, wait for somethin' real  
Selfish nigga, coulda helped you nigga  
Usually know betta but I felt you nigga  
I guess gettin' in my head was part of the plan  
Cause in reality, the only thing you givin' me is

[chorus x2]

Don't let him waste your time girl (don't let him waste your time girl)  
He's only tellin' lies girl (he's only tellin' some lies to you)  
Then he apologizes (and he will, he will)  
Don't believe all that mess cause he will do it again

[chorus]
