

# Mary J. Blige, Nowhere Fast

Eh, eh,  
Eh, eh, eeh  
Hope your not thinking, you ain't the one  
Seems your annoyed by my voice  
Because your out there trickin'  
'Til five in the morning  
I don't play that shit (oh)  
Hope your not thinking, you can just leave  
Homeboy please  
From the tone of my voice  
I know that you can see  
I don't play that shit

No, no, no,  
I ain't low on self esteem  
No, no, no, no, no,  
Other girls don't strike fear in me  
I work this relationship nine to five  
And I deserve overtime  
So you can say what you want  
Stake on what you want  
You ain't leaving me  
You ain't leaving me  
You can say what you want  
Stage on what you want  
You ain't leaving me  
You ain't leaving me (oh)  
So I'mma stick around, stick around  
Till I get a return on my investment  
All of the nights you had me trippin'  
All of the nights you had me stressin'  
You ain't going nowhere  
I'mma stick around, till I get it  
Till I get a return on my investment  
All of the nights you had me trippin'  
All of the nights you had me stressin'

You ain't going nowhere  
Nowhere fast  
Nowhere  
Nowhere fast  
Nowhere  
Nowhere fast  
Nowhere  
Uh, uh

You ain't going nowhere  
Nowhere fast  
Nowhere  
Nowhere fast  
Nowhere  
Nowhere in a hurry.  
Uh, uh, oh

Hope your not thinking, you ain't the one  
Seems that your tired of my face  
Cause your always looking at some other chicks  
I don't play that shit  
Oh hope your not thinking, you can just dis me  
Homeboy please  
By the look on my grill  
I know that you can tell  
I don't play that shit

No, no, no,  
Everything ain't what it seems  
No, no, no, no, no,  
You ain't going to be ignoring me  
I work this relationship nine to five  
And I deserve overtime  
So you can say what you want  
Get mad if you want  
You ain't leaving me  
You ain't leaving me  
You can say what you want  
Stake on what you want  
You ain't leaving me  
You ain't leaving me (oh)  
So I'mma stick around, stick around  
Till I get a return on my investment  
All of the nights you had me trippin'  
All of the nights you had me stressin'  
You ain't going nowhere  
I'mma stick around, till I get it  
Till I get a return on my investment  
All of the nights you had me trippin'  
All of the nights you had me stressin'

You ain't going nowhere  
Nowhere fast  
Nowhere  
Nowhere fast  
Nowhere  
Nowhere fast  
Nowhere  
Uh, Uh

You ain't going nowhere  
Nowhere fast  
Nowhere  
Nowhere fast  
Nowhere  
Nowhere in a hurry.  
Uh, uh, oh

Can't let you get away from me (let you get away)  
So no, don't wanna be free (no)  
I put in too much time  
You ain't going nowhere, boy you are mine  
Been through so much with you (with you)  
I gave you my whole life (whole life)  
So im going to take my time  
Wait patiently for what is mine

You ain't going nowhere  
Nowhere fast  
Nowhere  
Nowhere fast  
Nowhere  
Nowhere fast  
Nowhere  
Uh, uh

You ain't going nowhere  
Nowhere fast  
Nowhere  
Nowhere fast  
Nowhere  
Nowhere in a hurry

Uh, uh, oh
