

# Mary J. Blige, Ultimate Relationship (A.M.)

ooh... ohoho...ohoho

[Chorus]

Its about the things you say to me in the a.m.  
Its about the way you hold me in the a.m.  
Something bout a sweet ron de vu in the a.m.  
God, I like spendin time with you in the a.m.

[Verse 1]

Its about six and the sun is on its way up  
I'm half asleep,  
waiting for your touch to wake me up  
i like the way you call me,  
the way you whisper peace,  
the things you reveal  
God, i know you're real,  
nothing like the way you make me feel

[Chorus]

[Verse 2]

I have to admit, this is the way to start the day  
Captured in love,  
Jesus, your love takes me away  
I like the way you call me,  
the way you whisper peace  
the things you reveal  
God, I know you're real  
Nothing like the way you make me feel

[Chorus]

[Verse 3]

What you do to me  
I just can't explain  
(I just can't explain)  
What it means to me  
To hear you call my name  
(To hear you call my name)  
What a perfect way  
For me to start the day  
Captured in love,  
Jesus, your love takes me away

[Chorus]
