

Mary J. Blige, Ultimate Relationship (A.M.)

ooh... ohoho...ohoho

[Chorus]

Its about the things you say to me in the a.m.
Its about the way you hold me in the a.m.
Something bout a sweet ron de vu in the a.m.
God, I like spendin time with you in the a.m.

[Verse 1]

Its about six and the sun is on its way up
I'm half asleep,
waiting for your touch to wake me up
i like the way you call me,
the way you whisper peace,
the things you reveal
God, i know you're real,
nothing like the way you make me feel

[Chorus]

[Verse 2]

I have to admit, this is the way to start the day
Captured in love,
Jesus, your love takes me away
I like the way you call me,
the way you whisper peace
the things you reveal
God, I know you're real
Nothing like the way you make me feel

[Chorus]

[Verse 3]

What you do to me
I just can't explain
(I just can't explain)
What it means to me
To hear you call my name
(To hear you call my name)
What a perfect way
For me to start the day
Captured in love,
Jesus, your love takes me away

[Chorus]
