Mary J. Blige, We Ride

[Intro]

Just can't help it I love my hun All that I need And all that I want

Said I Just can't help it I love my hun All that I need And all that I want

[1st Verse:]

Everybody asking " Why Mary ain't mad no more? " It seems Like a question That I've already answered Like too many Times before Now ladies If you got a man And he treat You real good Ain't you gon' flex Every chance That you get Now ain't you gonna Love him Just like you should Especially when you Never thought You would Yeah Oh you know That I'm All into the feeling And I never Look to lose it Oh for sho' This is consistent With you I find a rhythm

[Hook:]

From the day
To the night
We ride
We ride
We ride
Hey
How you
Like it
How you
Like it
I see
The future baby
You and I
Better with time

And it is
What it is
And I
Just can't help it
And I felt
What I felt
No
I just can't help it
I see the future, baby
Me and you
That's how we do

[2nd Verse:]

I got a song In my heart That's all That I need I sing it A capella I sing it To the beat What we are Is classic You know it Because your Attitude shows it Now fellas If you got a girl And she treats You right Ain't you gonna spend Every dollar, every cent Eh Ain't you gonna make sure She stay fly Especially when She's reppin' You for life

[Hook:]

From the day
To the night
We ride
We ride
We ride
Hey
Now how you
Like it
How you
Like it now

I see The future baby You and I Better with time

And it is What it is And I Just can't help it And I felt What I felt And you know I just can't help it I see the future, baby Me and you That's how we do

[Bridge:]

You are mine I told you before I wouldn't lie I need you And more Gotta stay With you I am safe With you Let me Repeat it In case you forgot Love is a mountain And we're At the top Yeah Breath and strength Cause I see The future in your eyes

[Hook:]

From the day
To the night
We ride
We ride
We ride
How you
Like it
How you
Like it, baby

I see The future baby You and I Better with time

And it is
What it is
And I
Just can't help it
And I felt
What I felt
And you know
I just can't help it
I see the future, baby
Me and you
That's how we do

From the day
To the night
We ride
We ride
We ride
Now how you
Like it
How you

Like it Yeah, yeah, yeah I see The future baby You and I Better with time

And it is
What it is
And I
Just can't help it
And I felt
What I felt
And you know
I just can't help it
I see the future, baby
Me and you
That's how we do

[Outro:]

Just can't help it I love my hun (And we ride) All that I need And all that I want

Said I Just can't help it I love my hun (And we ride) All that I need And all that I want

From the day 'Till the night We ride We ride
