Mary J. Blige, Willing Waiting

Willing & amp; waiting

But it's all up to you, ohhh

The very first time I laid my eyes on you

I knew you were the one

Nothing can compare to all the times

We both had some fun

Sometimes I wanna cry

Cause boy I realize

I need you in my life

Don't think he understands

I want him for my man

Waiting for you

I-I-I'm willing & amp; waiting

So in love with you (so in love with you)

Willing & amp; waiting

Boy it's on you (it's on you)

Willing & amp; waiting

Boy I need the truth (boy I need the truth)

Willing & Deprison waiting So in love with you

Every time boy I take one look at you

I see the sun just shine

When we're alone never want the night to end

Cause you're the one I want

Sometimes I wanna cry

Cause boy I realize

I need you in my life

Don't think he understands

I want him for my man

Waiting for you

Willing & amp; waiting

So in love with you (so in love with you)

Willing & amp; waiting

Boy it's on you (on you)

Willing & amp; waiting

Boy I need the truth (boy I need the truth)

Willing & amp; waiting

So in love with you

You better answer (oh yes you better answer)

You better answer

Sometimes I wanna cry

Cause boy I realize

I need you in my life

Don't think he understands

I want him for my man

Waiting for you

[Chorus 3X till fade]
