[C-Murder]

Nigga back in the days I was afraid of the police
just another paranoid drugdealer on the streets
my ghetto hero was above the law I caught a glimpse of a bullet
that took him down like a south paw uneducated to the game of life
I was hated to the grave but the pen kept my mind right
a young motherfucker doomed since day one
shit I'm a fool I'm a ball 'til my time come
a G to me is like a mil' on the streets I'm a kill just to eat
and leave my enemies on the concrete they say a soft heart
make a bitch nigga stay alert stay alive that's the code of a thug nigga
I wanna rob and steal but crime pays the bill niggas know I'm real
so my pain is what they feel I'm a rider TRU niggas gone feel me
C-Murder ain't gone die 'til a bitch nigga kill me

All my thug niggas ride to eternity let's ride nigga let's ride nigga (2X)

[Master P]

How many niggas want to ride with me
when I'm gone don't my fuckin' soldier cry for me
I want the nigga that did it to die with me
and his mama and his brother take a ride with me
cuz I'm a killer (a killer) nigga baller
servin' up the 3rd ward Cali or New Orla'
nigga like the devil with the motherfuckin' red prints

god won't you save me nigga only baby only time could take me

All my thug niggas ride to eternity let's ride nigga let's ride nigga (4X)

[Mr. Serv-On]

those who start up first a end up last
last time I saw a .45 blast a nigga who was last should be doin' 50 years
without parole life is cold but it fair fuck the mayor that coward bastard
ask him durin' his term how many niggas sawt jail cells and found cascidy
place me the plastic when its time to shoot only god will know the truth
what's in a nigga's blood is in his heart
from the start my pain was irreversable the book on how to kill a nigga
is unwritable my title don't sulitify our right to tell a child how
to live his life or how to stop a man when he beat his wife but if you turn
your back grab your gun we could ride tonight
