

Mateusz Maga, First Kiss

Say what you wanna say
do what you wanna do
but remember our first kiss

Fight if you wanna fight
cry if you wanna cry
but remember our first kiss

I am not made of iron steel
i am not made of glass

Don't make me leave- when
my heart beats to the beat of your heart
dont say I am wrong I -have the right
to feel this way

Say what you wanna say
take what you wanna take
but remember our first kiss

Tear our days apart
leave our nights intact
but remember our first kiss

I am not made of iron steel
I am not made of glass

Dont make me leave- when
my heart beats to the beat of your heart
dont say I am wrong I -have the right
to feel this way --to keep love alive
- so we can survive
