

Mateusz Mijal, Chcę cię

Every time I give up
Every day I try go to
Without you
Medication and drugs
And do like to be with you
Be with you

And suddenly I see you here
It's coming over
This song is shining over me
Is getting warmer
I'm moving long
And my heart cross
Is overloaded with love

Chcę Cię poczuć
Chcę zatrzymać
Posmakować
Zanim minie dzień
Wziąć za rękę
Tak spróbować
Chcę zobaczyć
Co w Tobie kryję się

Every time I give up
Every day I try go to
Without you
Medicine and drugs
And do like to be with you
Be with you

And suddenly I see you here
It's coming over
This song is shining over me
Is getting warmer
I'm moving long
And my heart cross
Is overloaded with love
