If I come to you
Will you be the one for me?
If I come to you
Will you be the one who bleeds?

If I call your name
If I call your name
Will you always follow me?

If I walk the other ways

If I turn water to wine
Would you be my girl?
Would you cross the line?

If I call your name
If I call your name
Will you always follow me?

If I call your name
If I call your name
Will you always follow me?

If I come to you
Will you be the one for me?
If I fall to my knees
Would you grab a brick
Throw a stone on me

If I call your name
If I call your name
Will you always follow me?
