

# Me First And The Gimme Gimmes, I Only Wanna

I don't know what it is that makes me love you so  
I only know I never wanna let you go  
'Cause you started something  
Oh can't you see  
And ever since we met you've had a hold on me  
It happens to be true  
I only want to be with you

It doesn't matter where you go or what you do  
I wanna spend each moment of the day with you  
Look what has happened with just one kiss  
I never knew that I could be in love like this  
It's crazy but it's true  
I only want to be with you

You stopped and smiled at me  
And asked me if I cared to dance  
I fell into your open arms  
And I didn't stand a chance

Now listen honey  
I just want to be beside you everywhere  
As long as we're together honey I don't care  
'Cause you started something  
Oh can't you see  
And ever since we met you've had a hold on me  
It happens to be true  
I only wanna be with you  
No matter what you do  
I only want to be with you
