

# Megadeth, Killing Is My Business... And Business

I am a sniper  
Always hit the mark  
Paid assassin  
Working after dark  
Looking through the night  
Using infra-red  
My target on you  
Aimed at your head

\$10,000 up front  
\$10,000 when I'm through  
And I know just what to do  
And ya know I'll do it too  
Then I'm coming back for you  
Back for you!

I do the "getting rid of";  
Don't tell me why  
Don't need to hear the truth  
Don't need the lies  
Now pay me quickly  
And now we're through  
It brings me great pleasure  
To say my next job is you

Don't you know that, killing is my business, and business is good  
Don't you know that, killing is my business, and business is good  
Don't you know that, killing is my business, and business is good  
Don't you know that, killing is my business, and business is good

Don't you know that, killing is my business, and business is good  
Don't you know that, killing is my business, and business is good  
Don't you know that, killing is my business, and business is good  
Don't you know that, killing is my business, and business is good

Don't you know that, killing is my business, and business is good  
Don't you know that, killing is my business, and business is good  
Don't you know that, killing is my business, and business is good  
Don't you know that, killing is my business, and business is good

You'd better believe it
