[Chorus]  
I ain't for the streets, 'cause bitch, I am the street  
And I ain't on these niggas, all these niggas be on me

[Verse 2]  
Put the car in my name so I know it's real  
Buy me the same chain that you got when you say, "Let's chill"  
I know how much that cost, them diamonds in your mouth  
I told him buy the house, but don't be comin' in and out  
Baby, can you tell me have you ever heard of polygamy?  
It's only me and you, but I got many personalities  
Sometimes I like to shop, sometimes I like to bop  
Sometimes I like it from the back, sometimes I be on top  
I keep tellin' niggas

[Chorus]  
I ain't for the streets, 'cause bitch, I am the street  
And I ain't on these niggas, all these niggas be on me  
And I'ma be outside 'til I don't wanna be  
And I'ma show this ass 'cause it's what they wanna see, look  
I ain't for the streets, 'cause bitch, I am the street  
And I ain't on these niggas, all these niggas be on me  
And I'ma be outside 'til I don't wanna be  
And I'ma show this ass 'cause it's what they wanna see

She rock designer, but it's old, that shit is dated  
I'm rockin' new runway Gianni, Versace hottie  
And anything that come behind me is fuckin' sloppy (Ah, ah, ah)  
Every day I switch it up, I give 'em looks (Looks)  
I switch my hair up just to fuck, we be havin' fun (Havin' fun)  
I ask him do he want a blonde? Do he want a redhead? (A redhead)  
I can switch my shit to blue or I can wear my real hair

[Chorus]  
I ain't for the streets, 'cause bitch, I am the street  
And I ain't on these niggas, all these niggas be on me  
And I'ma be outside 'til I don't wanna be  
And I'ma show this ass 'cause it's what they wanna see, look
