

Megan Thee Stallion, Sugar Baby

[Pre-Chorus]

Oh, he want a bad bitch?

Well, I want a nigga with some money and a long dick

Buy me everything in my cart if you my boyfriend (Helluva made this beat, baby)

Invest in this pussy, boy, support Black business

[Chorus]

Get it for a bad bitch, spend it for a bad bitch

If you got some money, then trick on a bad bitch

Spend it for a bad bitch, get it for a bad bitch

If you got some money, nigga, trick on a bad bitch

[Verse 1]

Oh, you wanna see my nails when they done? Shit, pay for 'em

You can't have opinions on no shit that you ain't payin' for

All them high school mindgames only work on needy bitches

Call yourself not talkin' to me, I'm already callin' my other nigga, ayy

Boy, I eat like a bad bitch, kale on my salad (Salad)

Designer on my sheets, boy, I sleep like a bad bitch (Bad bitch)

Thinkin' that he Future, I'ma leave him in the past tense (Bye)

And I'm in my book, so I think like a bad bitch (Woah, woah)

He said, "Let's make a movie," and nitted so quick, we made a story (Ugh)

He tell people we not talkin', no, lil' nigga, you gettin' ignored (Ah, ah, ah)

He text askin' what we are, I'm like, "LOL, I'm dead" (LOL, I'm dead)

I think all these niggas stupid, but I still want the head, ayy

[Chorus]

Get it for a bad bitch, spend it for a bad bitch

If you got some money, nigga, trick on a bad bitch

Get it for a bad bitch, spend it for a bad bitch

If you got some money, nigga, trick on a bad bitch

[Verse 2]

I ain't playin nice for no fuckin' plane ticket (Uh-uh)

And I ain't comin' over 'til I know how big your dick is (Let me see)

He can call me lame and he can get an attitude

But I still ain't doin' nothin' I don't wanna do (Ah)

Don't FaceTime me in public, 'cause you don't know who I fuck with

Why you askin' why I'm playin' when you know you got a girlfriend? (Hah)

I'm too bad to be mad (Yup), I'm too sexy to be jealous

And I'm too fuckin' grown to be playin' with these niggas (Hey, hey, hey)

'Cause these niggas act like bad bitches, in the club takin' pictures

Other niggas' sections takin' seats from these bad bitches (Bad bitches)

Moody like these bad bitches, messy like these bad bitches (Ah)

Discussions on who fuckin' like these niggas never had bitches

[Pre-Chorus]

Oh, he want a bad bitch?

Well, I want a nigga with some money and a long dick

Buy me everything in my cart if you my boyfriend (Helluva made this beat, baby)

Invest in this pussy, boy, support Black business

[Chorus]

Get it for a bad bitch, spend it for a bad bitch

If you got some money, then trick on a bad bitch

Spend it for a bad bitch, get it for a bad bitch

If you got some money, nigga, trick on a bad bitch
