[Verse 2: Megan Thee Stallion]

Everything I say, I do that (Ayy)
Bitch I'm 'bout it, but you knew that (Ayy)
I don't need the crowd
Pull up one deep right wherever you at (Ayy, ayy, yeah)
Bitches hate me 'cause I'm sexy
Buyin' shit that I was blessed with
I can't argue with no ho about a nigga I be dissin'
You need to relax, sis
'Fore you get spanked like a bad kid
I do not know who is gassin' you up (Ayy, ayy)
But I'll knock the key out your back, bitch (Back, bitch)
I wanna see what you really about
I wanna to see if you really get down (Yeah)
Know that you goofy the way that you talkin' (Ayy, ayy)
But I wanna see if you really a clown

Keep it cool but I'm dramatic (Hey, hey)
