

Meghan Trainor, No

I think it's so cute and I think it's so sweet!
How you let your friends encourage you to try talk to me
But let me stop you there, before you speak...

My name is no
My sign is no
My number is no
You need to let it go!
Need to let it go
Nah to the ah to the, no, no, no!

First you gonna say you ain't runnin' game, thinkin' I'm believing every word
Call me beautiful, so original, telling me I'm not like other girls
I was in my zone before you came along, now I'm thinking maybe you should go
Blah, blah, blah, blah
I be like: "Nah to the I, to the I, to the no, no, no!"

All my ladies listen up
If that boy ain't giving up
Lick your lips and swing your hips
Girl all you gotta say is

My name is no
My sign is no
My number is no
You need to let it go!
Need to let it go
Nah to the ah to the, no, no, no!

I got curves and I know how to use them
I got curves with no plans to lose them
Cause I love who I am
So are you the man?
I'm talking to the boy
The man who can handle my curves

No, no, no
I don't need your hands all over me
I'm good, I'm gonna dance on my own with my girls
Untouchable, untouchable
