

# Melodic Chaotic, Summer Fling

The bright sun and the blue water  
We fight less and love harder  
You tell me that I'm the one  
I tell you it's just for fun  
We walk the beach at midnight  
And watch the stars and the clear skies  
We both say I love you  
But it's alright

Hello, uhm...  
It's nice to see you here, I was...,  
Wondering if um,  
I can give you my number maybe  
Oh you're here for the summer  
Oh, that's nice, maybe we can hang out sometime  
I will give my number alright, we can hang out  
This will be, this will be fun

The bright sun and the blue water  
We fight less and love harder  
You tell me that I'm the one  
I tell you it's just for fun  
We walk the beach at midnight  
And watch the stars and the clear skies  
We both say I love you  
But it's alright  
I write you a song, play your guitar  
You and me both sing a long,  
We hold hands for too long  
If you wanna talk I guess that's alright  
if you wanna walk under the night sky  
I don't really care cause we got tonight,  
Oh baby we...

It's just a couple months,  
But we do it anyway  
It's only for the summer,  
But we do it anyway  
It's just a couple months,  
But we do it anyway  
We do it anyway, do-do-do it anyway

I got those cold drinks for those hot nights  
You can hang out with us if you like that  
Get long hair with them short sides  
I like your style, your from the north side  
Sea shells, and palm trees  
I call you, you call me  
Talk all night, mob all day  
Call you up, boy I'm on my way  
On the beach again, never thought that this will end  
Dinner by the water, wishing that summer time was longer uh  
Don't really care what we do tonight  
Good night kiss till the mood is right  
Laying by the beach with you,  
Wishing this will never end

It's just a couple months,  
But we do it anyway  
It's only for the summer,  
But we do it anyway  
It's just a couple months,  
But we do it anyway  
We do it anyway, do-do-do it anyway

Hello you know  
It was nice to see you tonight  
Laying by the beach, and uh just  
Chilling with you was good  
I'll miss you, you know thinking  
That we can call each other soon  
You know, it was nice
