

Menudo, Please Be Good To Me

Once again your on my mind
And I only wanna love you so
Oh deep inside I know I should let you go

Once again the pain the tears
All my friends say I'm fool, I'm blind
But I don't mind

If I had to start again
I will love you all over again
All I want to ask of you

Please be good to me
Don't let me cry any more
Hold me like you did before
Just a little means so much

Please be good to me
'Cause inspite of all the pain
I still love you just the same
Isn't much I'm asking for
Uh, won't you please be good to me

After all I've given you
I still want to give you more
And I wanna asking for

Please be good to me
Don't let me cry any more
Hold me like you did before
Just a little means so much

Please be good to me
'Cause inspite of all the pain
I still love you just the same
Isn't much I'm asking for
Uh, won't you please be good to me
