Mest, Its Over

[VERSE:] You've been waiting for You never knew for sure Cause time was goin' by And never asked you why

When I would talk to you The words they went right through Your head

But I couldn't tell You were under her spell She had full control No one would ever know

How much you didn't care Just like Sonny not Cher The beat didn't go on

[CHORUS:]

She looked at you and she said to your face It's over, it's over
She's got a new man and it's time for you
To move over, move over
You're drunk and mad you wish that you
Were sober, were sober
Cause now you can't get it out of your head
That it's over, that it's over

[VERSE:]

She said she doesn't know It's like the Springer show She said that she loves you But that she loves him too

So you keep holdin' on Your love for her is strong Until she%
