

# Metallica, Nothing Else Matters

(Hetfield / Ulrich)

So close no matter how far  
Couldn't be much more from the heart  
Forever trusting who we are  
And nothing else matters

Never opened myself this way  
Life is ours, we live it our way  
All these words I don't just say  
And nothing else matters

Trust I seek and I find in you  
Every day for us something new  
Open mind for a different view  
And nothing else matters

Never cared for what they do  
Never cared for what they know  
But I know

So close no matter how far  
It couldn't be much more from the heart  
Forever trusting who we are  
And nothing else matters

Never cared for what they do  
Never cared for what they know  
But I know

I never opened myself this way  
Life is ours, we live it our way  
All these words I don't just say  
And nothing else matters

Trust I seek and I find in you  
Every day for us something new  
Open mind for a different view  
And nothing else matters

Never cared for what they say  
Never cared for games they play  
Never cared for what they do  
Never cared for what they know  
And I know

So close no matter how far  
Couldn't be much more from the heart  
Forever trusting who we are  
No, nothing else matters
