Metallica, Ronnie Rising Medley

Tarot woman, I don't know, I don't know, I don't know

She can take you there
The entrance to the fair, my, my, my
Ride the carousel
Cast a magic spell, you can fly, fly, fly

Beware of a place A smile on a bright shiny face I'll never return, how do you know

Tarot woman, I don't know, I don't know, I don't know

High noon
Oh I'd sell my soul for water
Nine years' worth
Of breakin' my back
There's no sun in the shadow of the wizard
See how he glides
Why he's lighter than air
Oh I see his face

Where is your star Is it far, is it far, is it far When do we leave I believe, I believe, yes, I believe

In the heat and the rain With whips and chains Just to see him fly So many die

We built a tower of stone With our flesh and bone Just to see him fly Don't know why

Now where do we go...

Danger, danger the Queen's about to kill There's a stranger, stranger and life about to spill Oh no move away from harm I need a spell and a charm Fly like the wind I'm no pawn, so be gone, speed on and on

Kill the king Tear him down Kill the king, yeah Strike him down

Power, power happens every day Power, devour all along the way Oh no, move away from harm I need a spell and a charm And fly like the wind I'm no pawn, so be gone, speed on and on

Kill the king Strike him down

Treason, treason, the spectre looms again Treason, reason, the realm is safe and then Oh no, move away from harm I need a spell and a charm Fly like the rainbow I'm no pawn, so be gone, speed on and on

Kill the king, yeah Tear him down Kill the king, yeah Got to take his crown
