Metallica, Shoot Me Again (Metallica St Anger)

I won't go away Right here I'll stay Stand silent in flames Stand tall 'till it fades Shoot me again I ain't dead yet Shoot me again All the shots I take I spit back at you All the shit you fake Comes back to haunt you All the shots All the shots I take What difference did I make? All the shots I take I spit back at you I won't go away, with a bullet in my back Right here I'll stay, with a bullet in my back Shoot me Take a shot I'll stand on my own, with a bullet in my back I'm stranded and sold, with a bullet in my back I bite my tongue Trying not to shoot back No compromise My heart won't pump the other way Wake the sleeping giant Wake the beast Wake the sleeping dog No, let him sleep
