

# METTE, DARLING DRIVE - feat. Sam Gellaitry

Up north no streetlights  
One star  
She's sitting high  
She's gonna take me home tonight  
Back here  
But fully grown  
First place and a centerfold  
Been around the world but nothing's close  
I, I, I, I, I  
Spent so much time  
Tryna make it out alive  
Screaming under water  
I, I  
Won't lose my pride  
I know what hill I'm dying on

Dah, ah, ah, ah, ah, ah, ah, ah

Dah, ah  
Darling drive  
You're written on my bones  
I know that I could stay here forever  
Been here all my life  
No matter where I go  
I know we're gonna end up together

Where summer breeze is heaven sent  
People keep their promises  
I've landed on my feet again  
Snowstorms can come and go  
But my heart is never cold  
I'm breathing in your oxygen  
I, I, I, I, I  
Spent all this time  
Tryna change my melody  
To one wasn't meant for me  
I, Wont lose my pride  
I, know what hill I'm dying on

Dah, ah, ah, ah, ah, ah, ah, ah

Dah, ah  
Darling drive  
You're written on my bones  
I know that I could stay here forever  
Been here all my life  
No matter where I go  
I know we're gonna end up together

You're my home  
It's written in my bones  
(In my bones)  
(In my bones)  
And it shows  
(And it shows)  
No matter where I go  
(No matter where I go Baby)  
You're my home  
It's written in my bones
