

# Michael Franti And Spearhead, I Know I'm Not Al

Whatever happened to the sun  
It used to always come  
Back when we were young  
We'd sing and party all night long  
The seasons don't ever come on time no more and  
War paints over the years  
and anger fills our tears  
What happened to the sun

But I know, I know, I know I'm not alone  
But I know, I know, I know I'm not alone

Everytime I read the news  
I'm always more confused  
They're Tellin' me to choose  
But there's only lies to choose from  
And how many died today  
How many lost thier homes or shot a gun  
Or a loved one  
What happened to our sons

But I know, I know, I know I'm not alone  
And I know, I know, I know I'm not alone

Even know I'm far away from home but I know I'm not alone  
Even know I'm far away from home but I know I'm not alone

Woo hoo hoo ho  
Woo hoo hoo hoo  
Woo hoo hoo ho

Walk to the Front  
Open the Gate  
I see a road there

Even know I'm far away from home but I know I'm not alone  
I'm not alone  
Even know I'm far away from home but I know I'm not alone

Woo hoo hoo ho  
Woo hoo hoo hoo  
Woo hoo hoo ho
