

MICHAEL PATRICK KELLY, Throwback

We sang a song from the 70's
You talked to me like a melody
And we were dreamers chasing the sky

I just wanna throwback
When i used to know that
You and i were co-stars
Oh my my my

I just wanna go back
To the magic moment
When i used tto know that
You're my my mine

Oh, shes got that you know what
She's got that OH MY GOD
I need a throwback
When i used to know that
You and i were co-stars
Oh my my my

We sang a song from the 70's
You talked to me like a melody
And we were dreamers chasing the sky
So high, so high,
We danced along to an evergreen
Still in my head like a symphony
We were dreamers chasing the sky

I just wanna throwback
When i used to know that
You and i were co-stars
Oh my my my

I just wanna go back
To the magic moment
When i used tto know that
You're my my mine

Oh, shes got that you know what
She's got that OH MY GOD
I need a throwback
When i used to know that
You and i were co-stars
Oh my my my
Oh my my my
Oh my my my
