

# Michał Szpak, Real Hero

Life – what a beautiful feeling

When your time has only just began

But one day you see all this – stupid game

And then you become a real men

A family guy straight from tv – he tells you how to live

But you know better

Glory for you Johnny – forever

He fought for us – so glory for you Johnny – forever

Cause real hero has - has your face

Every boy wants to be like Superman

Just like Johnny wants to save the world

People say, that the winner takes all or nothing

But they didn't know you, Johnny

He loved his own life – he fought just for us

Forever

a superhero will have Johnny's face

Glory for you Johnny – forever

He fought for us – so glory for you Johnny – forever

Cause real hero has - has your face

Real hero has – has your face

Glory for you Johnny – forever

He fought for us – so glory for you Johnny – forever

Glory for you Johnny – forever

He fought for us – so glory for you Johnny – forever

Cause real hero has - has your face

Real hero has – has your face
