

# Michele Morrone, Dark Room

I am feel like mess  
bubbling through me  
but I don't care,  
if you touch me now  
she wanna dance until she's warm up  
baby my mind is ready now  
baby my mind is ready now  
baby my mind is ready now

I let me something  
cause I need somebody  
freak me as you bull me  
little child  
love me  
love me  
love me  
now  
touch me  
touch me  
touch me  
now

let me check inside  
you know!
