

# Miguel Bose, Anna

"(Verse 1)"

Strolling up the avenue  
Down in Hollywood  
Broken heart, my eyes in tears  
That's the way I feel.

"(Bridge 1)"

Searching all over, over and over  
Hoping to see you  
Searching all over, over and over  
Anna, where are you?

Woh oh oh  
Woh oh oh  
Woh oh oh oh oh oh oh

"(repeat)"

"(Chorus)"

Anna, how hard it's to love you  
Anna, I'll never forget you  
Anna, how hard it's to love you  
Anna, I'll never forget you.

"(Verse 2)"

Strolling up the avenue  
Down in Hollywood  
Looking for your company  
Please come back to me.

"(Bridge 2)"

Searching all over, over and over  
Makes me feel so bad  
Searching all over, over and over  
Anna, please come back!

Woh oh oh  
Woh oh oh  
Woh oh oh oh oh oh oh

"(repeat)"

"(Chorus)"

Anna, how hard it's to love you  
Anna, I'll never forget you  
Anna, how hard it's to love you  
Anna, I'll never forget you.

"(Instrumental middle break)"

"(Chorus)"

Anna, how hard it's to love you  
Anna, I'll never forget you  
Anna, how hard it's to love you  
Anna, I'll never forget you.
