Mike Jones, Jones

Mike Jones, Jones

[Hook - 2x Big Moe]

I stay flossin in that candy paint

Blowin dank

Sippin drank on 84 swangers

Tearin up the lane, tearin up the laaaaaaaane

[Verse 1: Mike Jones]

Lil daddy you can tell I'm ballin

From the way I'm flossin 84s I am crawlin

Screens fallin as I slide up and down your block

With a chain full of rocks and princess cuts in my watch

Mike Jones

I'm hot now a lot of people callin

But back then they left Mike Jones crawlin

I'm rising they fallin

Cuz I stayed up on my grind

Didn't have time to whine

Had to put it dine (down)

I'm Mike Jones

Who...Mike Jones

Who...Mike Jones, Jones

And I'm a stay putting it down until the end

Pimpin pens

Tryin to put a brand new benz in the wind

Cuz

[Hook - 2x]

[Verse 2: Mike Jones]

I pull up in a drop top holding grain

Parking lot pimpin mayne

I ain't even trippin mayne

Screens rain as I slide up and down the block

Ride daily holding glock

Cuz I know haters plot

You might see me SUV on 24s

Or I might be flippin tippin on four vogues

Mike Jones

A lot people now mad cuz I'm hot

But they gone be even madder when that jag leave the lot

I stay grindin so I can stay ballin

Cuz Lord knows I can't picture me fallin

I'm crawlin

Candy paint on fours

Doggin all these hos

You handlin the road in my wide body load

I'm a baller shot caller 20 inch crawler

Catch me on the highway or about to tear the mall up

My album Who is Mike Jones comin soon

My album Who is Mike Jones comin soon
