

Mike Oldfield, Make Make

Make Make

There's No Way Out, No Way In
To The Hallowed Halls, The Inner Ring
You're Just A Face In The Crowd
You Got No Place When You're Down And Out

Mona Lisa, You Can Stop Searchin'
Don't You Know We're Not Virgin

(Chorus)

We're On The Make Make
We Only Take Take
We're On The Make Make
We Accumulate
We're On The Make Make
Don't Mind, It's Fake Fake
We're On The Make Make
We Make Heartbreak

Make Make

We Build Our Tower On Shifting Sand
You Got No Idea What's Changing Hands
No Chivalry. Who Cares What You Feel?
This Is Not The Place For High Ideals

Mona Lisa, You Can Stop Searching
Don't You Know We're Not Virgin?

(Repeat Chorus)

Mona Lisa, You Can Stop Searching
Don't You Know We're Not Virgin?

We're On The Make, No Sympathy, We're Sacrosanct
We're On The Make, No Charity, No Thanks
We're On The Make Make
