Mike Oldfield, Mistake

There was a mistake under the weather, One shout's gonna turn into another. It's a heartbreak under the weather, Standing out in the cold.

Highway is frightning. Rain hammering on your window. I hate sheet lightning. You reach for the telephone.

[chorus]

Mistake under the weather, One shout's gonna turn into another. It's a heartbreak under the weather, Standing out in the cold.

I pray for blue skies, Rain hammering on your window. On your way you wonder why You're spending on your own.

[repeat chorus]

And talking on the radio, You never know how to say Anything's a plan that could be on your mind, It could vanish in a tragical way. Get lost in dreaming. Rain hammering on your window, Try to catch the meaning.

You're dancing on your own.

[repeat chorus]

And talking on the radio, You never know how to say Anything's a plan that could be on your mind, It could vanish in a tragical way.
