

# Mike Oldfield, See The Light

I Been Waiting At This Frontier  
And It Seems Like A Hundred Years  
But I Couldn't See Past The Gate  
I Couldn't See Past The Hate  
Now I'm Coming Back To My Senses  
I Can See A Light Past The Fences  
Standing At The Borderline  
I've Come To The End Of The Line

Will-Power, Give Me Some To Survive  
One More Hour And I'm Coming Alive  
I Can See The Light

(Chorus)

And There's Blue Sky Breaking  
Through The Edge Of The Night  
I Can See The Light  
Oh, I Can Feel The Light

The Most Precious Thing I Possess  
Is Knowing The Answer's Yes  
And Soon My Liberty  
Will Be Reality  
I've Been Given A Second Chance  
I Could Open My Arms And Dance  
Open That Barricade  
No Longer I'm Living Afraid

Will-Power, Give Me Some To Survive  
One More Hour And I'm Coming Alive  
I Can See The Light

(Repeat Chorus)

Now I Climb The Steps To Freedom  
The Open Gates, I Can See Them  
Hands That I Once Knew  
Beckoning Me Through  
As The Sunlight Touch My Face  
I Can Feel The Warm Embrace  
Arms Surround Me  
My Life Has Found Me

Will-Power, Give Me Some To Survive  
One More Hour And I'm Coming Alive  
I Can See The Light

(Repeat Chorus)

Ooh, I Can See The Light

I Can See The Light  
Coming In Bright  
I Can Feel The Light  
Freedom In Sight  
Oh, I Can See The Light  
Coming In Bright  
I Can Feel The Light

I Can See The Light  
It's Coming In Bright  
I Can Feel The Light  
Freedom In Sight

I Can See The Light  
Oh, I Can Feel The Light

I Can See The Light  
It's Coming In Bright
