

# Mike Oldfield, Talk About Your Life

(feat. Maggie Reilly)

Walking Out In The Street Light, Midnight  
Whisper Wind, Catch Me In The Headlight  
Talk About Your Life, I'd Like To Know  
It's Not Easy Going Where No-One Goes  
And No-One Knows

(Chorus)

Do We Have To Be So Distant?  
How Can You Be So Unreal?  
What's The Reason For Hiding, And  
How Does Crying Make You Feel?

I Can See You're Talking To Me In Riddles  
Do What You Like, You Go Where The Wind Blows  
Talk About Your Life, I'd Like To Know  
It's Not Easy Going Where No-One Goes  
And No-One Knows

(Repeat Chorus)

I Reach For Certain Disguise That You're Leaving  
And I Can Tell By The Mist In Your Eyes That You're Dreaming  
Dreaming

Do We Have To Be So Distant?  
How Can You Be So Unreal?

In The Clouds, Running And Chasing Shadows  
In The Crowd, Frozen In The Window  
Talk About Your Life, I'd Like To Know  
It's Not Easy Going Where No-One Goes  
And No-One Knows

(Repeat Chorus Four Times)
