

# Mike Oldfield, The Rio Grande

We're Homeward Bound Across The Blue Sea  
Going Home  
We're Homeward Bound Across The Blue Sea  
And We're Bound For The Old Country  
Then Away, Love Away

Going Home  
We're Homeward Bound This Very Day  
And We're Bound For The Old Country

The Sails Are Unfurled And The Anchor's Away  
Going Home  
She Heels To The Breeze, As She Gathers Her Way  
And We're Bound For The Old Country  
Then Away, Love Away

Going Home  
We're Homeward Bound This Very Day  
And We're Bound For The Old Country

We're Homeward Bound Across The Blue Sea  
Going Home  
We're Homeward Bound Across The Blue Sea  
And We're Bound For The Old Country  
Then Away, Love Away

Going Home  
We're Homeward Bound This Very Day  
And We're Bound For The Old Country

We're Going Home
