The Sails Are Unfurled And The Anchor's Away Going Home She Heels To The Breeze, As She Gathers Her Way And We're Bound For The Old Country Then Away, Love Away

Going Home We're Homeward Bound This Very Day And We're Bound For The Old Country

We're Homeward Bound Across The Blue Sea Going Home We're Homeward Bound Across The Blue Sea And We're Bound For The Old Country Then Away, Love Away

Going Home We're Homeward Bound This Very Day And We're Bound For The Old Country
