

Mike Posner, Buried In Detroit (ft. Big Sean)

I'm a writer and a lover
I'm a mid-west music man
And I've been to a lot of places
But I'm gonna end where I began
I took class in Carolina
Got high smoking joints
And now they know my name in Paris
But I'll be buried in Detroit
Next to my father
And my father's father too
I used to live in New York City
But Baby That Ain't know substitute
Not for my hometown
That place people avoid
I made love in every city
But I'll be buried in Detroit
