Mike Posner, I Took A Pill in Ibiza

I took a pill in Ibiza
To show Avicii I was cool
And when I finally got sober, felt 10 years older
But fuck it, it was something to do!
I'm living now in L.A.
I drive a sport's car just to prove
I'm a real big baller cause I made a million dollars
And I spend it on girls and shoes

But you don't wanna be high like me
Never really knowing why like me
You don't ever wanna step off that roller coaster and be all alone
You don't wanna ride the bus like this
Never knowing who to trust like this
You don't wanna be stuck up on that stage singing
Stuck up on that stage singing:

All I know are sad songs, sad songs Darling, all I know are sad songs, sad songs

I'm just a singer, who already blew his shot I get along with old timers coz my name's a reminder of a pop song people forgot And I can't keep a girl, no Cause as soon as the sun comes up I cut them all loose and work's my excuse But the truth is I can't open up

Than you don't wanna be high like me
Never really knowing why like me
You don't ever wanna step off that roller coaster and be all alone
You don't wanna ride the bus like this
Never knowing who to trust like this
You don't wanna be stuck up on that stage singing
Stuck up on that stage singing:
"All I know are sad songs, sad songs
Darling, all I know are sad songs, sad songs"

I took a plane to my home town I brought my pride and my guitar All my friends are all gone, but there's manicured lawns And the people still think I'm a star I walked around downtown I met some fans in life I earned They said tell us how to make it coz we're getting real impatient So I looked em in the eye and said: "You don't wanna be high like me Never really knowing why like me You don't ever wanna step off that roller coaster and be all alone You don't wanna ride the bus like this Never knowing who to trust like this You don't wanna be stuck up on that stage singing Stuck up on that stage singing: All I know are sad songs, sad songs Darling, all I know are sad songs, sad songs"
