

# Mike Shinoda, Believe me

Like that  
I guess that this is where we've come to  
If you don't want to then you don't have to believe me  
But I will be there when you go down  
Just so you know now  
You're on your own now, believe me  
Yo, I don't wanna be the one to blame  
You like fun and games, keep playing em  
I'm just saying think back then we was like one and the same  
On the right track but I was on the wrong train  
It's like that, now you gotta face the pain  
And the devil's got a fresh new place to play  
In your brain like a maze you can never escape  
The reign, every damn day's the same shade of grey  
Hey, I used to have a little bit of a plan  
Used to have a concept of where I stand  
But that concept slipped right outta my hand  
Now I don't really even know who I am  
Yo, what do I have to say  
Maybe I should do what I have to do to break free  
And whatever happens to you, we'll see  
But it's not gonna happen with me  
I guess that this is where we've come to  
If you don't want to then you don't have to believe me  
But I will be there when you go down  
Just so you know now  
You're on your own now, believe me  
Back then I thought you were just like me  
Somebody who could see all the pain I see  
But you proved to me unintentionally  
That you would self destruct eventually  
Now I'm thinking like the mistake that I made doesn't hurt  
But it's not gonna work cause it's really much worse than I thought  
I wished you were something you were not  
And now this guilt is really all that I've got  
You turned your back and walk away ashamed  
All you got is the memory and pain, nothing makes sense  
You stare at the ground  
Like hearing my voice inside your head when no one else is around  
What do I have to say  
Maybe I should do what I have to do to break free  
Whatever happens to you, we'll see  
But it's not gonna happen with me  
I guess that this is where we've come to  
If you don't want to then you don't have to believe me  
But I will be there when you go down  
Just so you know now  
You're on your own now, believe me  
(Let's go)  
I'm guess that this is where we've come to  
If you don't want to then you don't have to believe me  
But I will be there when you go down  
Just so you know now  
You're on your own now, believe me  
I'm doing what I have to do  
You're on your own now believe me  
Whatever happens to you  
You're on your own now believe me  
What do I have to say  
You're on your own now believe me  
It's not gonna happen to me  
You're on your own now believe me
