

# Miley Cyrus, Ordinary Girl

Don't get me wrong,  
I love who I am  
I don't wanna be ungrateful  
It probably sounds strange  
I really love the role I play  
The songs I sing  
But with all the fame  
The things that seem so simple,  
suddenly, so far out of reach  
Wish that they could see that underneath  
I'm just an ordinary girl!

Sometimes I'm lazy  
I get bored  
I get scared  
I feel ignored  
I feel happy, I get silly  
I choke on my own words  
I make wishes, I have dreams  
And I still want to believe  
Anything could happen in this world,  
For an ordinary girl  
Like you, Like me  
For an ordinary girl  
Like you, Like me

How are you?  
Hello, good-bye  
One day here, One day there  
And again it's time to go  
Miss popular always on the roll  
But my best foot forward  
Gotta get on with the show  
Strike a pose for the front cover of a magazine  
Everywhere I arrive, I get high-fives  
They pay me larger than life  
I'm just an ordinary girl!

So give it everything or nothing at all  
Get back on your feet when  
You stumble and fall  
A little luck can go a long way  
So don't you worry about what people say  
Who knows when the wind may blow  
For an ordinary girl  
I'm just an ordinary girl

Sometimes I'm lazy  
I get bored  
I get scared  
I feel ignored  
I feel happy, I get silly  
I choke on my own words  
I make wishes, I have dreams  
And I still want to believe  
Anything could happen in this world,  
For an ordinary girl  
Like you, Like me  
For an ordinary girl  
Like you, Like me  
For an ordinary girl  
(Mmmmm)  
For an ordinary girl  
Like me, like you.
