

# Miley Cyrus, Tongue Tied

Wrap me up so I can't break free,  
don't let go, capture me,  
hold me down  
so it's hard to breath,  
lose control,  
keep your eyes on me,  
tie me down,

got me alone on the Stockholm syndrome,

Wrap me up so I can't break free,  
don't let go, capture me,  
hold me down  
so it's hard to breath,  
lose control,  
keep your eyes on me,

giddy up,  
so giddy up  
you got the reigns, I'll be.

captured by you,  
I'm a hostage for you,  
down for the cause,  
I'm down for you.  
lock me up,  
Tie me down...
