

# Miss Saigon, The Last Night Of The World

CHRIS

in a place that won't let us feel  
in a life where nothing seems real  
I have found you  
I have found you

KIM

in a world that's moving too fast  
in a world where nothing can last  
I will hold you  
I will hold you

CHRIS

our lives will change, when tomorrow comes

KIM

tonight our hearts drown the distant drums

CHRIS

and we have music all right  
tearing the night  
a song  
played on a solo saxophone  
a crazy sound

KIM

a lonely sound

BOTH

a cry that tells us love goes on and on  
played on a solo saxophone  
it's telling me  
to hold you tight  
and dance like it's the last night of the world

CHRIS

on the other side of the earth  
there's a place where life still has worth  
I will take you

KIM

I'll go with you

CHRIS

you won't believe all the things you'll see  
I know 'cause you'll see them all with me

BOTH

if we're together that's when  
we'll hear it again

a song

played on a solo saxophone  
a crazy sound

a lonely sound

a cry that tells us love goes on and on  
played on a solo saxophone

it's telling me

to hold you tight

and dance like it's the last night of the world

KIM

dreams

were all I ever knew

CHRIS

dreams

you won't need when I'm through

BOTH

anywhere

we may be

I will sing with you

our song. . .

(they dance together in the balcony)

BOTH

. . . played on a solo saxophone  
so stay with me

and hold me tight  
and dance  
like it's the last night of the world
