

MK Schulz & Candy Girl, Rock Stars

We're rock stars
Ready to rock
We on the brave new ride from the block
Represent high
Ready to shot
We on the brave new ride from the block

We don't care what they think
We don't care what they say
Hello, hello, hello
We're gonna break the low
We're gonna stay against
Hello, hello, hello

Is getting late
But we don't stop
If you don't have to go
There are no limits
Only luck we just
