MK Schulz & Candy Girl, Rock Stars

We?re rock stars
Ready to rock
We on the brave new ride from the block
Represent high
Ready to shot
We on the brave new ride from the block

We don?t care what they think We don?t care what they say Hello, hello, hello We?re gonna break the low We?re gonna stay against Hello, hello, hello

Is getting late
But we don?t stop
If you don?t have to go
There are no limits
Only luck we just
