It don't matter if you bust rhymes or bust pistols
Remember me, burn a nigga to a third degree

Don't act familiar motherfuckers you ain't heard of me
Just peep the stee and the rap how it's supposed to be
Tap the pockets bag the goods like a grocery, we food-shoppin
On top of that we hip-hoppin, and don't stoppin

Slide on ya like gators, umped that stank bitch back out
and then played her, but that ain't nothin
Crossin this dog walkin, native New York and
Shaolin slang talkin, rap nigga
