

MOD SUN, Flames (Feat. Avril Lavigne) [Acoustic]

I still burn for you
Like the sun burns in the sky
I still burn for you
I still burn for you
My whole life
I've been on fire
I still burn for you
Up in flames
Up in flames
Light a match and put it to my name
Up in flames
I still burn for you

Every time i think i had enough of this
I get more addicted
I am so obsessed
Talk about you al. lthe time
I am you narcissist
Well, if we bur nit down
You'll be my arsonist

I still burn for you
Like the sun burns in the sky
I still burn for you
I still burn for you
My whole life
I've been on fire
I still burn for you
Up in flames
Up in flames
Light a match and put it to my name
Up in flames
I still burn for you

I am so strung out on you
I might relapse
I am dying for a teste
Please god don't let this last
And you've been urning all of the leaves on palm trees
I'm left with nothing more than ashes
Falling to the ground like snoflakes
I almost wish we never happened

I still burn for you
Like the sun burns in the sky
I still burn for you
I still burn for you
My whole life
I've been on fire
I still burn for you
Up in flames
Up in flames
Light a match and put it to my name
Up in flames
I still burn for you
