

# Morandi, Sun Goes down

When the sun goes down

I feel like

I need you around

'Cause you're like

Butterflies in May, always flying away

Everytime you leave

I feel like

I just cannot breathe

'Cause you're like

Killing me inside when you're saying goodbye....goodbye

Chorus (x2)

Open your eyes and see him through

There's nothing inside but love for you

Never say never

Love could last forever

When the sun goes down

I feel like

I need you around

'Cause you're like

Butterflies in May, always flying away

Everytime you leave

I feel like

I just cannot breathe

'Cause you're like

Killing me inside when you're saying goodbye....goodbye

Chorus (x4)

Open your eyes and see him through

There's nothing inside but love for you

Never say never

Love could last forever
