

# Motley Crue, Enslaved

Alright alright this life is what you make it.  
Don't slide... you can't compromise  
You click your heels 3 times imagination goes wild..  
You can't analyze  
So be sure that you are makin the best of what you have  
The truth is all within yourself  
Don't be a slave.. a slave to someone else

Higher higher it's where we want to be in our minds..  
It will mesmerize  
It's pleasure power that's what we devour...  
You can have it crystallize  
Now it's time to look at what you've done with your life  
And the path you found and followed in  
Yourself i won't be a slave.. a slave to anyone  
The question is  
When it's all done  
Who will stand  
And who will run  
The answer is on my tongue  
I won't be a slave to anyone

So be sure that you are making the best of what you have  
The truth is all within yourself  
Don't be a slave... a slave to someone else
