

Motley Crue, Mutherfucker Of The Year

I'm just a thorn in your side
The disrespect in your eye
I can't control myself
I'm like a snake in your drain
I'm takin' over your brain
'Cause I can't help myself
Everytime I turn my head
I can hear everything that's said
I know they wish I'd go away
Here... I am... again.
Hey now, hey now
I'm the mutherf**ker of the year
Here... I am... again.
Hey now, hey now
I'm the mutherf**ker of the year
Call me the jackyl in heat
The blackest cat on the street
You better watch yourself
A hand grenade with no pin
A Razor blade goin' in
I'm goin' straight to hell
Everytime I turn my head
I can hear everything that's said
I know they wish I'd go away
Here... I am... again.
Hey now, hey now
I'm the mutherf**ker of the year
Here... I am... again.
Hey now, hey now
I'm the mutherf**ker of the year
Solo
Here... I am... again.
Hey now, hey now
I'm the mutherf**ker of the year
Here... I am... again.
Hey now, hey now
I'm the mutherf**ker of the year
Here... I am... again.
Hey now, hey now
I'm the mutherf**ker of the year
