

# Mr. Hudson, Dancing Thru It

These are my dark days, I wait for the night  
Things become simpler, it's easier to hide  
I don't deserve you,  
I welcome my shame  
I justify this, it's my only way

All of the walls are closing in  
Wherever I go  
I'm having the worst time ever  
But they'll never know  
Cause I'm dancing thru it  
Dancing thru it  
I'm dancing thru it  
Dancing thru it

The soul of the party with tears in my eyes  
Guilty decisions are plaguing my mind  
You don't deserve this,  
No you're not to blame  
I justify this, it's my only way

All of the walls are closing in  
Wherever I go  
I'm having the worst time ever  
But they'll never know  
Cause I'm dancing thru it  
I'm dancing thru it  
I'm dancing thru it  
I'm dancing thru it
