

# Mura Masa, Rise (feat NADIAH)

You know I'm down, I'll rise up  
I get knocked down, I'll rise up  
You know I'm down, I'll rise up  
I get knocked down, I'll rise up

Beat drops

I can set it now  
I can set it now  
You know I'm down, I'll rise up  
I get knocked down, I'll rise up  
You know I'm down, I'll rise up  
I get knocked down, I'll rise up

Beat drops
